## MOST POPULAR KEYNOTE

Are you solving the same process issues over and over again? Are your people frustrated, exhausted, and lack trust in change? No more putting out fire drills, shit shows, or creating smoke & mirrors. The majority of organizational issues are related to people and process. It's time to do process right. In this keynote, you will learn from a former Toyota Kaizen expert exactly how to strengthen your processes, your team, and everyone's confidence. Develop process as a strength in your organization, attract the best talent, and become a Market Leader in your industry.

**The Human Way:**  
Do Process Right  
*(and have Fun!)*

*Hilary was able to bring our team together to find a new focus. She forced us to think outside "the box" and find a new gameplan to help our business thrive during these tough times.*
